Subpart B—Section 502 Origination

§ 3550.51 Program objectives.

Section 502 of the Housing Act of 1949, as amended authorizes the Rural Housing Service (RHS) to provide financing to help low- and very low-income persons who cannot obtain credit from other sources obtain adequate housing in rural areas. Resources for the section 502 program are limited, and therefore, applicants are required to use section 502 funds in conjunction with funding or financing from other sources, if feasible. Sections 3550.52 through 3550.73 set forth the requirements for originating loans on program terms. Section 3550.74 describes the differences for originating loans on non-program (NP) terms.

§ 3550.52 Loan purposes.

Section 502 funds may be used to buy, build, rehabilitate, improve, or relocate an eligible dwelling and provide related facilities for use by the borrower as a permanent residence. In limited circumstances section 502 funds may be used to refinance existing debt.

(a) *Purchases from existing RHS borrowers.* To purchase a property currently financed by an RHS loan, the new borrower must assume the existing RHS indebtedness. Section 502 funds may be used to provide additional financing or make repairs. Loan funds also may be used to permit a remaining borrower to purchase the equity of a departing co-borrower.

(b) *Refinancing non-RHS loans.* Debt from an existing non-RHS loan may be refinanced if the existing debt is secured by a lien against the property, RHS will have a first lien position on the security property after refinancing, and:
